

Guidelines for Conducting Recruitment University of Missouri – Office of Greek Life

The purpose of this document is to provide the fraternities and sororities of the University of Missouri Greek Community, their Advisors, and prospective members with a source of information regarding Recruitment. Chapter Advisors, Council Officers, and the Office of Greek Life staff will work together to ensure a successful and positive experience for all involved.

In order for the Office of Greek Life to assist chapters with the recruitment process and avoid potential problems, chapters must adhere to the following guidelines if they are to conduct recruitment at the University of Missouri.

Meetings and Documentation:

I. Prior to any recruitment activities (formal/council coordinated, COB, or other), at least one chapter member, preferably the chapter president, and/or recruitment chair, will meet with their chapter advisor. To schedule an appointment, call the Office of Greek Life at 573-882-8291. At this meeting the chapter will submit/provide:

A. Any national or regional paper work that needs to be signed by our office

B. Notice of Recruitment (attached)

C. Fraternity and Sorority Hazing Compliance Form (attached)

D. A recruitment calendar including a timetable of any recruitment activities with dates and times. Dates are not limited to “formal” periods of recruitment for chapters who conduct year-round recruitment. Year round events may be included on “formal” recruitment calendar and/or plan submitted at a later date following the same guidelines. Activities must be communicated before they commence. Activities to include on the calendar, **if applicable:**

1. Recruitment events/interest meetings
2. Selection date(s)/extension of bids
3. Formal acceptance of bids (new member pinning/ceremony)
4. Start date of the new member’s official process/education
5. Any additional dates pertinent to a specific organization
6. Roster of all advisors

II. Submission of Anti-Hazing Compliance and Grade Release Form for all new members. All chapters conducting recruitment must submit the Anti-Hazing Compliance/Grade Release Form which is available in the Office of Greek Life. The verification form must be submitted within 7 business days after bids are formally accepted (new member pinning/ceremony), and prior to the start date of the official process/education of new members listed on the chapter’s recruitment calendar. This form is the list of the individuals approved by your chapter that will be submitted to your regional or national representatives as candidates for membership/new members. It is important that this paperwork matches your online ICS Roster to accurately reflect that all members have signed this form.

III. Chapter Membership Roster Update: Your chapter will be given two opportunities during the semester to update your Official Chapter Roster. The rosters will be updated in both the beginning and the end of the semester to ensure that your roster accurately reflects the membership in your chapter. This roster must be updated according to the deadlines that are set and distributed during the Office of Greek Life President Meetings. At that time you will also be given the instructions and log in for the ICS Online System.

All documents supplied to the Office of Greek Life are kept confidential from students or student leaders, including the Council Officers. They may be shared with university officials and organization staff as needed. In the event that any dates and times need to be changed on the calendars of events, chapter members must notify the Council Advisor/s and/or Coordinator of Greek Life (by phone or in writing via email) prior to the new event.

Recruitment: Things to Remember

The council advisor/s will present/review the recruitment guidelines at the last general body meeting of each academic semester in preparation for recruitment the following semester.

1. Each chapter must submit a calendar of events for recruitment and new member activities, a Notice of Recruitment Form, and a Fraternity and Sorority Hazing Compliance Form at the initial meeting with the chapter specific Coordinator. If the new member calendar is not prepared at the time of the initial meeting, a secondary meeting may be scheduled to review the new member activities. The plan must be communicated prior to any recruitment or the commencing of new member activities.
2. Bids may not go out during a council coordinated recruitment period until the appropriated time.
3. The Notice of Recruitment Form must contain the original signature of the Chapter President and the primary Chapter Advisor.
4. The Greek Life Fraternity and Sorority Hazing Compliance Form must contain the original signature of the Chapter President, Recruitment Chair, New Member Educator and Chapter Advisor
6. No new member activities may take place after Stop Day for the Semester through the period of Final Exams.

Prior to any recruitment or new-member activities at least one chapter member will call to meet with their council advisor/s and/or the Coordinator of Greek Life. In the event that the recruitment or new member activities begin without the knowledge and signature of the council advisors, and/or the chapter has not adhered to these written Recruitment Guidelines, recruitment and/or new member activities will cease immediately, and the chapter may be placed on suspension. These sanctions will be administered appropriately at the discretion of the council advisor/s and the Coordinator of Greek Life.

B. Harassment Hazing – Behaviors that confuse, frustrate, and/or cause undue stress to some members are considered harassment hazing. Some Examples: Verbal abuse; threats or implied threats; line-ups; asking new members to wear humiliating attire; stunt or skit events with degrading, crude or humiliating acts; personal servitude for active members; sleep deprivation.

C. Violent Hazing – Behaviors that have the potential to cause physical and/or emotional harm. Some Examples: Forced or coerced alcohol or other drug consumption; beating, paddling or other physical acts; branding; forced or coerced ingestion of vile substances; water intoxication; condoning the mistreatment of animals; expecting illegal activity; abductions and/kidnapping. *Portions reprinted with permission: <http://www.stophazing.org>*

University of Missouri – Columbia officials take incidents of hazing with the greatest of seriousness and deal severely with any individual and/or organization found responsible for hazing.
