Judge's Deductions

- Any comments, suggestions, or actions which contain inappropriate remarks about race, sexual preference, disability, other chapters, religion and/or comments that are simply in bad taste or intentionally vulgar will receive point deductions.
- To exceed the time limit of 12 minutes will result in the following point deductions:
 - :01-:14 seconds exceeding 12 minutes will result in a 25 point deduction from your score

- :15-:39 seconds exceeding 12 minutes will result in a 50 point deduction from your score
- :30-:44 seconds exceeding 12 minutes will result in a 75 point deduction from your score
- :45-:60 seconds exceeding 12 minutes will result in a 100 point deduction from your score
- Due to time constraints, we will close the curtains if your skit exceeds 60 seconds over the time limit.
- If your skit exceeds the 12 minute time limit, points will be deducted a total of one time rather than on each of the judges score sheets, and that total will determine the placement of the Fling.
- At Greek Week announcements on April 17th, Steering Committee will announce the 5 groupings that received the most points out of 800 for fling.
- Example:
 - The first place skit is awarded 800 points toward their overall Greek Week total, BUT if the first place grouping missed two director's meetings (10 points each) and varied off script inappropriately (30 points) they would only receive 750 points rather than the full 800 points.
 - The second place skit is awarded 770 points toward their overall Greek Week total and the second place grouping had no additional deductions for missing meeting, deadline, etc. Therefore, their total points are 770 and would receive first place at announcements.

Judges

- The judges will be knowledgeable of each of the talent categories (writing, acting, dance, music, etc.), as well as the theme itself. A full understanding of the theme is an important aspect of the judging process and of the Fling competition itself.

Cue-To-Cue

- Monday, April 17
- This is a scheduled appointment where you will meet with a Jesse Theater Lighting. Designer to discuss light and any lighting changes in your skit. You will need to come prepared with a script and any

ideas you already may have for lighting and special effects. It is mandatory to bring a script that has cues written/ typed in already.

- It also helps if the cues are bold and slightly larger so that it is easy for the Lighting Designer to find and read.
- You should also bring a copy of your dance music (music needs to be the final cut) for the lighting designer in order to create your lighting for your grouping's dances.

Intro Video

- Due to the Greek Week Fling Committee by April 19th at the Director's Meeting at 6pm. Must not exceed 45 seconds.

Script

- Final scripts are due to Greek Week Fling Email by 5pm on April 21st.
- The Fling Committee will review scripts, and any material deemed inappropriate MUST be changed by Dress Rehearsal.
- The Greek Week Fling Committee and the Greek Week Steering Committee reserve the right to issue point dedications if that material is used in actual performance.

Dress Rehearsal

- Groupings will be assigned either April 24th (Monday), April 25th (Tuesday), or April 26th (Wednesday).
- Located at Jesse Theater.
- Props, Flats, CD's, & most updated script are due (on your assigned dress rehearsal date).
- All props need felt or wheels on the bottom.
- Driver has to stay with the truck at all times.
- All audio needs to be on a CD.
- This should be as much like your actual performance as possible. Dress rehearsal is the final time to perfect your skit and all of its elements. If you manage your time wisely you should be able to run through your entire performance multiple times. You must bring all of your props, and they must be approved by the Jesse Theater Crew (completely dry and finished).
- **These are just suggestions for you and your grouping to get the most out of your tie allotted dress rehearsal.

- First 5-10 minutes: All of the cue crew go to their designated areas and meet with the Jesse Theater Crew member's who will be working with them. Bring scenery and props into the auditorium and set them up in their exact locations. Dancers can work on spacing while skit is setting up if not in the way.
- Next 15 minutes: Run through the entire skit and all of its elements.
- Next 5 minutes: Discuss and figure out things that didn't work well
- Next 15-20 minutes: Run scenes where you ran into problems.
- Next 5-10 minutes: Run through the entire skit and all of its elements.
- Any remaining time: Work on anything else that didn't necessarily go as planned. As soon as your grouping's time is up, please leave as quickly as possible. Remember there are other groupings following you.
